Mawlana Bhashani Science and Technology University

EOI to Host

TCCE 2022

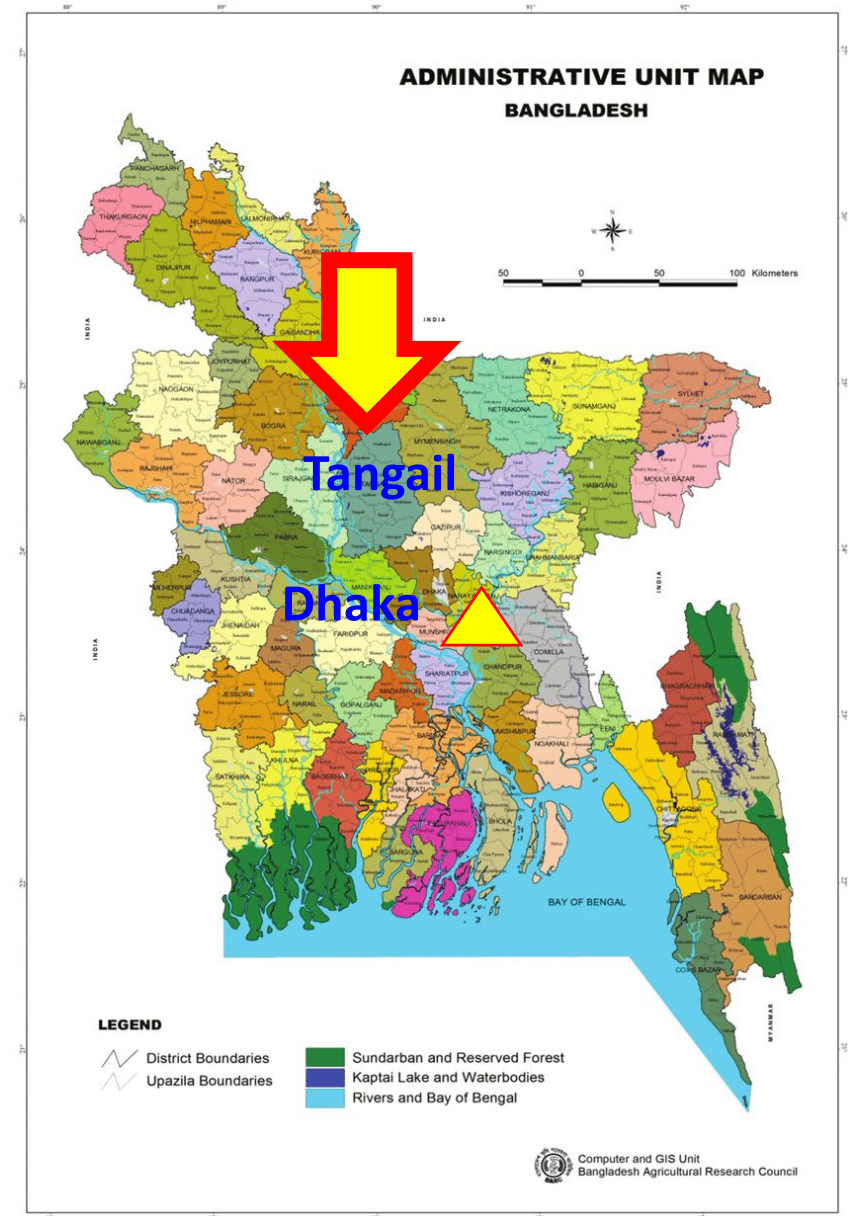

Brief History

- MBSTU was established through a act passed in the National Parliament of Bangladesh in July, 1999.
- The then and Present Prime Minister Sheikh Hasina founded the university on [12 October 1999](#).
- On 21 November 2002, Professor Yousuf Sharif Ahmed Khan was appointed as the first Vice Chancellor was of this university.

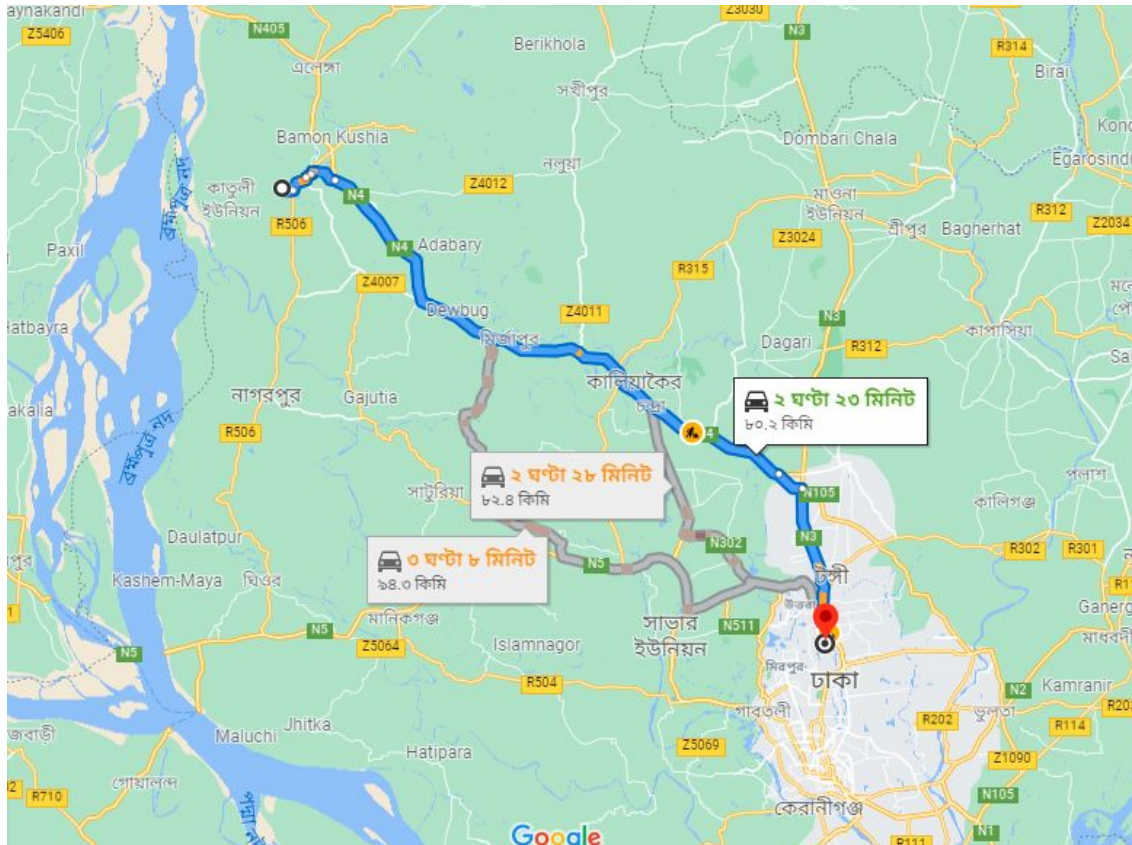

Location

- It is located in the **middle of Bangladesh** near the capital Dhaka.
- This place is also related to the one of the renowned political **leaders** and philosophers of Bangladesh - Mawlana Abdul Hamid Khan Bhashani.
- Mawlana Bhashani had the desire to establish a university that would build its students as independent, honest and hard working citizens.

Distance from the Capital

4-Lane Express Highway

Present Situation

- There are **six faculties** in the university.
- The university started with two subject, namely CSE and ICT, under the Faculty of CSE.
- Later Faculty of LS started functioning with two departments: ESRM and CPS.
- Later, few more departments were added: BGE, FTNS, TE, Physics, Chemistry, Mathematics, Statistics, BMB, Pharmacy, BBA, Management, Accounting, English.
- Latest department is Mechanical Engineering (2021)

Graduate Placement of CSE and ICT

- Research-wise, the scholars from the university has earned various felicitations.
- Many of our graduates have been placed both in academia and in industry.
- From the Dept of CSE, one graduate is working in NSTU
- From the Dept of ICT, three graduates have been working in three public universities.
- One graduate from the Dept of ICT is working with Google.

Graduate Placement of CSE and ICT

- From CSE graduates: 5 PhD
- From ICT graduates: 1 PhD
- Amongst the CSE graduates PhD holders, three are working abroad as university faculty.

Facilities

- We have big lecture galleries
- We have one Digital Lecture Theater
- Two IT related departments: CSE and ICT
- As of today (22 OCT 2021) we have a total of 08 PhD faculty in these two departments
- There are sufficient space for catering and guest house
- Around the town, there few residential accommodations

Seminars and Conferences in MBSTU

**International Seminar and Workshop on
Robotics, Machine Learning, Artificial Intelligence & IoT**

Chief Guest
Prof. Dr. Md. Alauddin
Vice-Chancellor
MBSTU

Special Guest
Prof. Dr. Mostofa Kamal Nasir
Dean
Faculty of Engineering, MBSTU

Special Guest
Md. Mosaddik Hasan
Chairman
Dept. of CSE, MBSTU

Special Guest
Prof. Dr. Sajjad Waheed
Dept. of ICT, MBSTU &
Counsellor, IEEE MBSTU SB/CS SBC

Chairperson
Prof. Dr. Muhammad Shahin Uddin
Chairman
Dept. of ICT, MBSTU

Keynote Speaker
Md. Farhan Ferdous
Founder and Chairman,
JBRATRC, Japan

Invited Speakers
Md. Mahdee Uz Zaman
Manager, Solution Architect
Amazon Web Service, USA

Dr. Md. Shahadat Hossain
Professor, Dept. of CSE
University of Chittagong (CU)

Fakir Mashuque Alamgir
Asst. Professor, Dept. of EEE, EWU
Advisor, JBRATRC

Harun-Ur-Rashid
Founder & CEO, Quantum.ai and
Programmer-I, DataSoft
Manufacturing & Assembly Ltd.

Zubayer Al Billal Khan
Technical Manager, STTZ Corp.
Technical Advisor, JBRATRC

A S M Ahsanul Akib
Technical Director
JBRATRC

Date
10 January 2021
Sunday

Time
9:00 AM - 5:00 PM

Organized by Department of Information and Communication Technology, MBSTU
Japan-Bangladesh Robotics and Advanced Technology Research Center (JBRATRC)

Technical Partners

ICT

IEEE COMPUTER SOCIETY
Bangladesh Chapter

IEEE COMPUTER SOCIETY
Student Branch Chapter MBSTU
